Feeling safe and happy at school

At **Bowden House School**, we want to make sure that you feel looked after, safe and happy when you are in and out of school.

Sometimes we don't know if something bad is happening, so you need to tell us.

This Policy looks at bullying, and what you can do when you feel you are being bullied, or when you notice someone else being bullied.

We can help you by:

- Helping you to know what bullying is.
- Teaching you what to do if you feel like you are being bullied, or if someone else is being bullied.

What is bullying?

A bully is someone who **hurts** another person **more than once**, by using behaviour which is meant to **scare**, **hurt** or **upset** that person.

At our school, we use the word **'STOP'** to identify bullying:

S everal

T imes

O n

P urpose

It is important to remember that single problems and falling out with friends are not bullying.

Bullying is behaviour which is **repeated** on purpose and is meant to **upset** someone.

Types of bullying

Bullying can be different things and isn't just hitting or kicking another person.

Emotional bullying is hurting someone's feelings, leaving them out or bossing them about.

Racist means bullying someone because of their skin colour, race or what they believe in.

Homophobic means bullying someone because of their gender or sexuality; calling someone gay or lesbian would be homophobic.

Sexist means bullying someone because of their sex (whether they are a boy or a girl).

Cyber bullying involves sending horrid messages over the internet or by text message.

Bullying can be done through **another person**, by one person asking another person to say nasty things.

What should I do if I am being bullied?

If you are being bullied, the first thing you should do is tell the bully to **stop**.

You can also:

- Make eye contact and tell the bully to leave you alone.
- Ignore the bully and walk away.
- · Tell a member of staff.

You should try not to:

- Do what the bully says.
- Let what the bully says or does upset you.
- Get angry or hit them.

Always remember that if you are being bullied, it is **not your fault** and you are **never alone**.

You shouldn't be scared to **talk to someone** if you are being bullied. If you talk to a member of staff, we can **make the bullying stop**.

What should I do if I see someone else being bullied?

If you see someone else being bullied, it is important that you **help** that person.

You should **never walk away** and **ignore** the bullying if you see someone else being bullied, because the bully will keep on upsetting that person.

If you can and it is **safe**, tell the bully to **stop** but never get angry or hit them.

Tell a member of staff as soon as you've seen someone being bullied.

The staff team can **stop the bullying** and make that person feel **happy** again.

You should **never feel scared** to tell someone about bullying.

Who can I talk to?

It is important that you **tell someone** as soon as you are being bullied, or you notice someone else being bullied.

Speaking to someone like a member of the staff team will mean that we can make sure the **bullying stops** and doesn't happen again.

How can I help stop bullying from happening?

We can all help stop bullying at our school by:

Making sure we keep to the **rules** in this guide **Helping others** when they are in need

Being **kind**, **friendly** and **respectful** to others

Thinking about people's **feelings** before we say or do something

Taking part in **anti-bullying week**
